WHO WE ARE ?

Our company produces and assembles kitchen cabinets and bathroom cabinets. Our company, which is the leader in this branch, has succeeded in gaining the trust of end consumer or entrepreneur companies with its managers and technical team, who adopt quality management as a lifestyle and approach the issues professionally, specialized in their business. In our working area, we are ready to meet and assist for the commercial and technical issues that you may require in your projects.

OUR MISSION

Our mission is to create value for our customers through reliability and innovation, and to be the most successful furniture company in the industry in providing the best customer experience.

OUR VISION

Our vision is to provide value for money and comfort, to meet the expectations of the customers with the highest quality, first quality designs, and to be an international manufacturer that can provide innovative, high-quality products.

BASIC VALUES

Innovation: Forward thinking, planning and expanding our horizons,

Quality: We want to create services and products that we are proud to stand behind.

Teamwork: From the supplier to our valued customer, we all succeed together.

Customer satisfaction: We develop relationships that make a positive difference in our lives.

Happiness: Creating a better daily life for many people.

Company's liability : We are all responsible for meeting our commitments and integrity (corporate liability)

MODULAR KITCHEN INTRODUCTION TECHNICAL SPECIFICATIONS

- Our body colors are the color of standard snow white.
- Bodies are made of MDFLAM or CHIPBOARD with two sides covered with melamine in 18 mm E1 quality norms.
- Body backs are made of Mdfлам with one face covered with melamine in 5 mm E1 quality norms.
- All of the bodies are taped with 0.80 mm pvc tape.
- The backrests are manufactured as a plug-in system by opening the channels to the intervals of the body.
- Upper cabinets are mounted with daset hanger system or L hanger system.
- The heights of upper cabinet are 60 cm ,72 cm,90 cm, their depths are 35 cm, including the cover.The height of the lower cabinet is 72.6 cm, the depths of them are 58 cm, including the cover.
- Bodies are manufactured as disassembled. In the disassembled system, minifix is used as a connector element and an accessory package is available to combine each module.
- Each module is wrapped in the shrink nylon with the label of plastic corner protection
- Box Rail or tandem rail is used in drawer modules and the drawer body is included in the module.
- In the lift-up cover modules, Piston or HF mechanism are included in the module.
- In the modules with cover , 1 hinge with slowdown and 1 hinge without slowdown are included in the module.
- Aluminum profile is provided instead of pre-registration ,with sink and built-in oven modules.
- Devices in pictures are not included in the prices.
- Base, laminate countertop, skirting board and Joint Bar are priced separately.
- Laminate countertops are delivered without sink without opening the sink space.
- Additional panels must be ordered separately.
- Spoon holder , dustbin and the aluminum sheets under sink are priced separately.
- Module covers are divided into 4 groups as PAINTED DOOR - MELAMINE FACED - FRONT PANEL and there are many color alternatives.
- Handle holes are not opened on the covers.The handle is not included in price.
